

BOLLA

CABERNET SAUVIGNON DELLE VENEZIE IGT

Production Area: Delle Venezie, Northeast Italy.

Grape Variety: 100% Cabernet Sauvignon.

Description: Ruby red in color, with aromas of black fruit, vanilla, and clove, Bolla Cabernet Sauvignon is well balanced with a silky pepper and black-currant finish.

Hand-harvested grapes are fermented in temperature-controlled stainless steel for about one week with twice-daily pumpings over to obtain color, soft tannins, and optimal extraction. The wine undergoes barrique aging, resulting in a touch of vanilla which increases the wine's complexity without masking the aroma of this variety. 10% of the wine is then aged in French and American oak barrels for 4 months before blending.

Bolla Cabernet Sauvignon pairs perfectly with roasted red meats, rich pastas, and grilled vegetables.
