

**BOLLA**  
Cabernet Sauvignon  
Delle Venezie, IGT

---

***Area of Production:***

Delle Venezie, Northeast Italy.

***Soil:***

Alluvial hills located at an altitude of about 100 meters (325') above sea level.

***Grape Variety:***

100% Cabernet Sauvignon.

***Production Technique:***

Hand-harvested grapes are fermented in temperature-controlled stainless steel for about one week with twice-daily pumpings to obtain color, soft tannins, and optimal extraction. The wine undergoes barrique aging, resulting in a touch of vanilla which increases the wine's complexity without masking the aroma of this variety. 10% of the wine is then aged in French and American oak barrels for 4 months before blending.

***Characteristics:***

*Color:* Ruby red.

*Bouquet:* Black fruit, vanilla, and clove.

*Taste:* Well balanced with a silky pepper and black-currant finish.

*Alcohol Content:* 12.5%.

*Total Acidity:* 5.1 g/l.

Ideal with roasted red meats, rich pastas, and grilled vegetables.
