NATURA ROSÉ

Quite simply, Natura is all about purity. Like our consumers, we embrace life and are lovers of all things outdoors. Inspired by nature, we are mindful about what we put into the earth and how we care for our vineyards. The grapes we get back are the cleanest, purest expression of what Chilean terroir can offer. Crafted from 100% organically grown grapes, gluten-free and vegan-friendly.

SOIL

Riverbed associated soils, deep alluvial clay loam. Clay provides water retention, which contributes to good grape ripening.

PRODUCTION TECHNIQUE

The organically grown grapes are hand-picked in March, sorted and then directly pressed. Vinification takes place in stainless steel tanks with gentle pump overs and delicate lees stirring. The Rosé is aged for 3 months in stainless steel tanks and is filtered prior to bottling.

BOUQUET

Fragrance reminiscent of bunches of fresh strawberries.

TASTE

Bright, fresh red fruit flavors are silky and elegant on the palate. Slightly off-dry with good acidity, delicate and easy to drink.
