

Vermentino
LITORALE

LITORALE VERMENTINO

Maremma Toscana IGT
Cecchi, Tuscany (Italy)

Area of Production:

Val delle Rose Estate, Scansano in Maremma,
Southern Tuscany.

Soil:

Sandstone with a strong presence of friable rock.

Grape Varieties:

85% Vermentino, 15% other complementary white
grape varieties.

Production Technique:

The wine is fermented in temperature-controlled
stainless steel tanks followed by a minimum of two
months of bottle refinement.

Characteristics:

Color: Straw-yellow, with light gold reflections.

Bouquet: Intense, fruit-forward aromas that suggest
tropical fruits.

Taste: Fresh, crisp with well-balanced acids, and an
assertive finish.

Alcohol Content: 12.5%.

Total Acidity: 5.9 g/l.

A delightful aperitif. Marries well with salads, light
fare, fish, fowl and cheese. Serve chilled.
