MASCHIO PROSECCO EXTRA DRY MADE WITH ORGANIC GRAPES

The roots of Cantine Maschio's passion for wine run deep in the Veneto hills. The story began in 1973, when Bonaventura Maschio turned his family's century-old distillery into a winery that even then was state-of-the-art in terms of its technology and production methods.

Cantine Maschio devotes extensive resources to innovation, which include experimenting with pioneering techniques of cold extraction that accentuate the natural release of aromas and flavors.
