

NATURA

CHARDONNAY UN-OAKED

Made With Organic Grapes

Sustainably Farmed | CHILE

Harnessing the pure energy of nature for exceptional wines

EMILIANA
ORGANIC VINEYARDS

NATURA Chardonnay Emiliana Chile

Area of Production:

Central Valley, Chile.

Grape Variety:

100% Chardonnay. 100% organically grown grapes.

Soil:

Black clay to course yellow sand.

Production Technique:

The organically grown grapes are hand-picked during the last week in March. Stainless steel tanks, select yeasts, low fermentation temperatures, pumpovers and gentle lees stirring are used in the vinification process. The wine is lightly fined and cold-stabilized before bottling.

Characteristics:

Color: Soft yellow.

Bouquet: Tantalizing citrus aromas of grapefruit and lime blend with notes of pineapple.

Taste: Juicy citrus and tropical fruit flavors reappear on the palate. Nicely balanced with a delicious finish.

Alcohol Content: 13.6%.

Total Acidity: 3.93 g/l.

This wine's freshness and natural acidity make it the perfect food wine. Pairs especially well with salad and seafood dishes.
