

**STONE'S**  
Original Ginger  
Stone's Winery, London (England)

---

***Area of Production:***

London, England.

***Variety:***

Grape wine with sugar beet neutral spirits,  
natural ginger flavor.

***Production Technique:***

Short storage in wood casks.

***Characteristics:***

*Color:* Golden amber.

*Bouquet:* Distinct ginger.

*Taste:* Clean, smooth and fruity with spicy ginger  
flavoring.

*Alcohol Content:* 13%.

A staple in most English wine cupboards, Stone's  
Original Ginger is the perfect aperitif, great on  
the rocks with a twist of orange or delicious in hot  
toddlies. Half Stone's Ginger and half whiskey...  
voila, a "Whiskey Mac."
