

SILVER TØTEM

Malbec
Washington

Area of Production:

Horse Heaven Hills, Wallula Vineyard, Washington.

Soil:

Wind-blown loess on basalt bedrock.

Grape Variety:

Malbec.

Production Technique:

Wallula Vineyard's volcanic and mineral driven soils create the ideal environment for Malbec to develop its full aromatic potential. The consistently warm summers and cool evenings of this site preserve the natural acidity of Malbec and produces a solid tannic structure.

Characteristics:

Color: Deep ruby red.

Bouquet: Cherry, cedar and plum.

Taste: Silky tannins and blackberry.

Alcohol Content: 13.5%.

Ideal with roasted pork, wild game and grilled vegetables.
