

## NOBLE BARON CABERNET SAUVIGNON

*Production Area:* Barossa, Australia.

*Grape Varieties:* 97% Cabernet Sauvignon, 3% Cabernet Franc.

*Description:* NOBLE BARON Cabernet Sauvignon is a superb handcrafted wine of complexity and intensity. Brilliant ruby red in color, the bouquet displays enticing aromas of blackcurrant, tobacco and green tea. The palate is rich and concentrated while the elegant French oak gives a 'subtle lift' to the wine. Soft supple tannins add to the texture and weight, and the long, lingering finish. This wine will age gracefully for 10 years plus.

NOBLE BARON wines integrate the best of European style, with the exceptional quality and unique characters of Australian, Barossa fruit. The style is classic and refined, combining both traditional and modern techniques to make notable wines of the highest class. The grapes are handpicked from prime, low-yielding vineyards from some of the Barossa's most renowned sub-regions, including Nuriootpa and Bethany. Treated with the utmost care during the winemaking process, the grapes are uncrushed, hand plunged and basket pressed and unfiltered.

Château Tanunda, established in 1890 in the heart of the Barossa Valley, is Australia's oldest and grandest château. As the cornerstone of the Barossan wine industry, this first-growth château is the site of the first vines planted in the Barossa Valley in 1845 and is today, privately owned by the Geber family.

Excellent with classic hearty stews and vegetable dishes.
