

CHATEAU TANUNDA
NOBLE BARON
Cabernet Sauvignon 2008

Area of Production:

Barossa, Australia.

Soil:

Yellow loams with ironstone over clay.

Grape Varieties:

97% Cabernet Sauvignon, 3% Cabernet Franc.

Production Technique:

Hand picked, basket pressed and unfiltered. The grapes spend 10 days on their skins with regular hand plunging to gently extract color, flavor and tannins. Matured in a combination of new and older French oak for 18 months.

Characteristics:

Color: Ruby red.

Bouquet: Blackcurrant, tobacco and green tea.

Taste: Rich and concentrated, while the elegant French oak gives a 'subtle lift' to the wine. Soft, tannins give the wine texture, weight and a long, finish.

Alcohol Content: 14.5%.

Total Acidity: 6.8 g/l.

Excellent with hearty stews and vegetable dishes.
