

RAINSTORM
Pinot Noir Rosé
Oregon

Area of Production:

Willamette Valley, Oregon.

Soil:

Mostly volcanic origin with some alluvial deposits.

Grape Variety:

Pinot Noir.

Production Technique:

With its cool, mild climate, the Willamette Valley of northern Oregon produces Pinot Noir with a fruity, elegant style and complex yet subtle flavors. Most of the grapes were whole-cluster pressed for this Rosé providing acidity and elegance. The remainder came from the saignée Pinot Noir tank providing additional fruit and some structure. The wine was fermented at cool temperatures and aged on fine lees before blending and bottling.

Characteristics:

Color: Rose pink.

Bouquet: Strawberry, rose petals and pomegranate seeds.

Taste: Crisp and lush.

Alcohol Content: 13.2%.

Total Acidity: 5.8%.

Residual Sugar: 1.4 g/l.

Silver Linings pairs beautifully with scallops and fresh vegetables or with a spring salad.
