

UNPARALLELED
Super Tuscan Blend
Italy

Area of Production:

Tuscany, Italy.

Soil:

Sedimentary soils.

Grape Varieties:

Cabernet Sauvignon, Montepulciano, Merlot,
Sangiovese.

Production Technique:

We select some of the best lots from our partner winery in Tuscany to bring you this wine. The grapes are fermented at high temperature and the resulting wine is aged in oak barrels in Tuscany for 6 to 8 months. At the end of the aging the wine is bottled.

Characteristics:

Color: Deep red.

Bouquet: Spice, red currant.

Taste: Firm tannin structure with good acidity and good length.

Alcohol Content: 13.5%.

Total Acidity: 5.5 g/l.

Ideal with grilled chicken with port and figs.
