

UNPARALLELED
Cabernet Sauvignon
California

Area of Production:

Central Coast California.

Soil:

Sandy loam.

Grape Varieties:

93% Cabernet Sauvignon, 4% Cabernet Franc,
2% Malbec, 1% Merlot

Production Technique:

Our Central Coast Cabernet Sauvignon is the finest expression of this popular varietal. The rolling hills of the Central Coast provide excellent soil drainage and consistently dry summers create the perfect growing conditions for Cabernet Sauvignon. The wine is aged in oak casks for 14 months prior to bottling.

Characteristics:

Color: Deep red.

Bouquet: Blackberry, cherry.

Taste: Fruit-forward.

Alcohol Content: 13.5%.

Total Acidity: 5.7 g/l.

Ideal with short ribs braised in red wine.
